Terms and Conditions

- If the farmer has been loaned a bull/s for the past four (4) or more seasons, he or she may not be considered for loaning.
- Filling this form does not guarantee that the farmer will be loaned the bull.
- An individual farmer may be loaned a bull or may take care of the loaned bull on behalf of the community.
- Once the bull is loaned, the farmer must undertake to facilitate the castration of the inferior bulls within the service area.
- The successful applicant will sign the loan agreement with the terms and conditions of bull loaning and must apprise the local AHT.

Please provide any additional information that you believe, is important, e.g., grazing area of your cattle if not in your area of residence:
